the season. It was no easy task to equal the events that we have announced in the past, let alone excel them. All raw material has advanced tremendously and the cost of making is greater-but it is a typical Abraham and Straus triumph, a sale that is not only of the Abraham and Straus High Quality that has become the standard, not only wonderful in its values, but exclusive in design of the white wear.

it is not a collection of sale merchandise, hastily made to create a bargain event-it is all made, from corset cover to exquisite neglige garment, with the same care to detail, cutting, fit, sewing, quality of material being excellent even in the smallest price piece—nothing coarse, no crooked seam, no careless, loose threading, no saving in material just the muslin wear and other wear that has made the store famous for value—but the PRICES ARE MARVELOUSLY LOW EVEN FOR ABRAHAM AND STRAUS.
